President's Annual Address

Cocoa, Fla., Nov. 18, 1936.

To the Elders and Brethren, making up the 67th annual session of the East Fla. Dist. Association, greetings:

I am glad that the Lord has brought us together again, many have been our ups and downs. But I am thankful to say with pleasure this is my annual address to this Association. Dear Association, the Lord has wrought wonders among us and for us. He has added many to the Old Church, such as would be saved.

I have had a very successful year. the brethren have cooperated to nicely with me and we have put over a great program, by the help of the Lord.. So let us go farther for the master. Our Association in the past has not been just as would have it be, there is plenty room at the top.

All have not played their parts as they could and should have. So I am calling your attention to the law of our church. If any member onfailing to pay any of these assessments, shall be suspended until said dues are paid. So please don't be found guilty and thus be out of order. I have no new resolutions. Let us carry out the old ones.

I am yours for a better Association,
O. V. THURMAN, Moderator.

CHIEF EVANGELIST'S REPORT

Brother Moderator, ministers and delegates, composing the 67th annual session of the East Fla. P. B. Association. We praise the Lord of heaven that he has spared us to submit this our report as Chief Evangelist of the Dist. Since we met in the last session at West Palm Beach, Fla., the Lord has called home one of our beloved ministers, Rev. J. S. Smith, pastor of the Macedonia Church, Jacksonville, Fla. We loved him but the Lord loved him best.

I have striven on the field with all my might and power, to do my whole duty as an Evangelist. I have done the very best I could under the most trying circumstances and dissappointments. I have made two visits to every church in the district, and some of them I made two and three visits, to try to get a creditable report.

During the year I have delivered 36 sermons, assisted in ordaining 3 young ministers, ordained 5 deacons, gave communion to five churches that were without pastors, organized 5 women's auxiliaries, help to run three revivals, attended 4 fifth Sunday Union meetings, added 18 members to different churches, made 10 recommendations to ministers to churches that were without pastors, married 4 couples, and preached 5 funerals.

I received very poor reports from many of the churches. The members of some of the churches are very slow about paying the Evangelist dues 50c per member as ordered by this Association. Some places I would not get traveling expenses. My traveling expense this year is very large, which amounts to \$203.35, which was more than half of what I collected on the field during the year.
